The data and information contained in the Site are provided only for illustrative purposes concerning WOOD & Company Group (hereinafter the "Group") and its activities. The users of the Site (hereinafter the "Users") are not allowed either to register - totally or partially - the said data and information on any storage device or to copy, broadcast or use them for commercial purpose without WOOD & Company's prior written consent, except copying them for personal use only.

The information provided through the Site is not to be understood as a public offering of financial products or as a means of promoting any specific form of investment or trading activity or as a means of promoting or placing financial instruments, investment services, or financial products/services.

Analyses and conclusions are of general nature and do not take into account individual needs of our investors regarding yields, taxes or acceptable risks, nor whether any mentioned financial products or transactions are suitable or reasonable investments for them. The stated performances and sample calculations are not reliable for estimates of future performances. Previous performances do not have to indicate future performances and transactions of financial products.

The provided information should not be understood as personal investment advice or recommendation, purchase or sale offer; persuasion or recommendation to subscribe an offer, purchase or sale, or to participate in any financial products.

The use of the data and the information contained in the Site for personal investment decision-making purposes is made at the Users' own risk.

Before entering into any financial transaction directly or indirectly based on the information provided through any section of the Site, Users are advised to contact their authorized financial broker for confirmation of the validity and accuracy of the said information and of the appropriateness of any such operations in view of the Users' personal needs, income, and economic or financial conditions.

The information contained in the Site is provided by Group sources. WOOD & Company reserves the right to modify, at any time, at its own discretion and without any notice, the said information and the functional and operational use specifications applying to the Site.

WOOD & Company shall do its best to ensure the reliability, the correctness, the accuracy and the updating of the information provided through the Site. WOOD & Company shall not be responsible for any error or imprecision in the content of the Site.

WOOD & Company shall not be responsible either for the contents of any other website from which the Users may have accessed - via hyperlinks - the Site or for the contents of any website accessed - via hyperlinks - through the Site. WOOD & Company shall not be responsible for any loss or damage suffered, for whatever reason, by the Users arising out of the websites accessed.

Furthermore, WOOD & Company accepts no responsibility for any untoward consequences of brief or prolonged interruptions, delays or internet dysfunctions in the Site due to power blackouts, telephone line failures, Internet failures or circumstances beyond the control of WOOD & Company.
